

UNITED MEDICAL CENTERS

JOB ANNOUNCEMENT

DENTIST

Job Summary: Responsible for providing quality comprehensive primary oral health care services for infants, children, and adults of the Center. The range of services includes diagnostic, preventive, education, outreach, emergency, restorative, and periodontal services. Additional services may include complex rehabilitative services that repair or replace missing teeth; provided there is availability of time, resources, and payment from patient. Must be licensed by the Texas State Board of Dental Examiners and legally qualified to practice dentistry in this state. Under the supervision of the Dental Director, they must be knowledgeable and proficient in a variety of dental disciplines and their guidelines, techniques, and procedures and able to handle medical emergencies in the dental office. In addition, they must be able to comply with all the policies, guidelines, and regulatory requirements affecting United Medical Centers, such as State/Federal regulations, TJC standards, DSHS, and Compliance Standards.
